**My Trip Diary**

Today my friend and I went to the Golden Jubilee Museum of Agriculture. At half past six we got on the bus and left school at ten to seven.

On the way to Pathan Thant there were many cars and buses on the road.

We got to the Golden Jubilee Museum of Agriculture at nine o'clock. The weather was sunny and the staffs were taken ash. There were many things to do to the Golden Jubilee Museum of Agriculture.

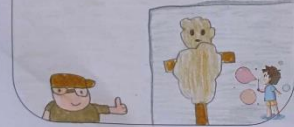

In the morning I do the activity about  
 A game of guess the word. At lunch time I had basil fried stew. Then we walked around the Golden Jubilee Museum of Agriculture.

In the afternoon I learned about history of King Rama 9.  
 We left the Golden Jubilee Museum of Agriculture at three o'clock and we got to school at half past four. The best thing on this trip was The Movie 3D of King Rama 9.
